Presented to: Members of the Public  
Presented by: Shelley Green, Superintendent  
Kim Morris, Secretary-Treasurer  
Colin Roberts, Associate Superintendent

# Planning for the Future: Craigflower/Shoreline

# Introduction

- ” Craigflower Elementary School has a high risk seismic ranking (H1)
- ” Shoreline Middle School has a high risk seismic ranking (H1)
  
- ” **SD61 is consulting on potential seismic options** , which include:
  - | Seismic Upgrade for both Shoreline and Craigflower
  - | Seismic Upgrade and Expansion for Shoreline/Reconfigure to K-8 (close Craigflower and move students to Shoreline)
  - | Seismic Upgrade for Shoreline / No improvements to Craigflower
  - | Seismic Upgrade for Craigflower / No improvements to Shoreline
  
- ” In November 2020, Board approved consultation for seismic options and the consideration of the closure of Craigflower.
  
- ” Public Engagement includes survey (open from Jan. 15-29th)
- ” Online Virtual Open House - Thursday, Jan. 21st at 6:30 p.m.

# Seismic Options

# Option 2: Craigflower/Shoreline Amalgamation

- Upgrade and expand Shoreline
- Close Craigflower as an elementary school
- Shoreline becomes K-8 configuration; with 700 seats
- Amalgamation or not, Shoreline and Craigflower need seismic work

# Shoreline Upgrade/Expansion

## What could this look like?

- Shoreline renovated on current site
- Students remain in existing schools during upgrade
- Shoreline becomes K-8 configuration; 700 seats
- French Immersion expanded from 6-8 to K-8
- School could be divided into two schools on one campus
- Grade configuration could be changed (e.g., K-3 & 4-8)
- Centralized services for students and families (e.g., childcare, health hub)
