16. But what if there isn't enough funding for new gym space? Or all the additional amenities that are needed to accommodate those 700 students if there is a K-8 school?

The District works closely with Ministry capital planning staff to design a new school or expansion. There are various space allocations and formulas that are calculated depending on the configuration and enrolment of each capital project: Elementary, Middle, Secondary, K-8 and K-.001 Tw 2.272 0 Td83
