

VENTILATION SYSTEM OVERVIEW

This template has been developed to support school districts in sharing information on ventilation systems at the school level. This includes information on how systems meet requirements for regular inspection and maintenance, and additional mitigations that have been put in place to promote student and staff safety throughout the pandemic.

	61 - Greater Victoria
	Cloverdale Elementary

	possible air contamination is paramount.
	We are on top of this and do respond quickly to teacher complaints. We want to ensure communication and try to keep staff informed and calm.
